A Massachusetts League of Community Health Centers Company

© 2019 All Rights Reserved

From the Director

Since 1998, we've welcomed the opportunity to save community health centers and other community based nonprofits, like yours, significant amounts of money. The savings are based on the supplies, equipment & services that you rely on every day.

"Our Members Have Saved Over $350 Million Dollars"

CPG is the leading community health center group purchasing organization in the country. We specialize in the primary health care industry and our team truly understands what our members want and need. By directly contracting with the nation's best vendors we provide you, and over 600 other members nationwide, with low prices and exceptional customer service. It is our goal throughout the year to search for ways to give members new opportunities to save. Our vendors are carefully screened and tightly managed, and we regularly develop new contracts to give members even more choices.

With ongoing support from our in-house team, it's easy to maximize your membership. Since our founding in 1998 by the Massachusetts League of Community Health Centers, our members have saved over $350 million dollars. How? By buying through CPG vendor contracts and taking advantage of the many other services we have to offer. We invite you to join us as a Commonwealth Purchasing Group member. It costs nothing to join, and your membership is easy for your employees to use. We're confident that when we compare our vendors' prices with your current invoices, CPG will be able to significantly drive down your expenses. We will streamline your purchasing process and you can still buy the same products and brands you trust.

Thank you for taking the time to get to know us. Please browse this catalog, then give us a call to set up a time for us to meet and show you your potential savings.

We look forward to working together and helping you save for many years to come.

Sincerely,

Richard W. Bryant, MBA Director

Founded by Community Health Centers for Community Health Centers

WHY JOIN A GPO?

We can think of three great reasons to join a group purchasing organization (GPO). **First**, we negotiate deep discounts with a broad array of vendors. **Secondly**, we guarantee that our vendors will analyze your purchasing, recommending lower-cost alternatives wherever possible. **Finally**, we certify that all affiliate vendors will work closely with your organization to ensure appropriate inventory management, so you've always got what you need, but you're never overstocked.

WHY CHOOSE CPG?

Membership is FREE and our members never write us a check.

From medical, dental, and office supply costs to patient communication services and point-of-care testing, our vendors deliver unbeatable discounts alongside exceptional customer service.

Founded in 1998 by the Massachusetts League of Community Health Centers, Commonwealth Purchasing Group was established to address economic issues facing health centers and community service organizations. Today, CPG has the purchasing power of more than 550 member organizations across the country to negotiate deep discounts and significant savings opportunities. Together with over fifty nationally recognized vendors, CPG promises superior service alongside unparalleled savings.
